School Notes.

It is costing the warring nations of Europe \$30,000 to kill a man. It will cost Missouri \$500 to save a man in the early stages of consumption. Shall we battle to kill or fight to save? It is reported by the State Board of Health that in Missouri in 1911, 5113 people died from tuberculosis; in 1912, 4940; in 1913, 4878. It is gratifying to learn that in our state the death rate from the disease is diminishing at an apparent rate of one and a half per cent. a year. Perhaps no one thing has contributed so much to bring this about as the Red Cross seal. Last year the school children sold several hundred seals and the proceeds went for this good work. This year the children sold 600 in less than two days, and we expect another consignment soon. The stamps sell at 1 cent each, and the entire amount is sent to the Missouri Association for the prevention and Relief of Tuberculosis, with headquarters at Columbia, Mo. The children receive no commission. They are selling these stamps with the true Christmas spirit of helpfulness.

Our Parish Bazaar and Festival.

On Tuesday, Wednesday and Thursday (Thanksgiving Day) of last week our parish gave one of its renowned and old time Parish Bazaars and Festivals. You may talk of the picnics in the county and of the festivals in the past, but none can surpass these three days of pleasure and recreation. It was a treat to all who came to enjoy it and was "One Grand Success" in the opinion of the management of the whole affair.

The program for these three days opened with a double encore and dance on Tuesday at the New Grand Theatre. The Ste. Genevieve Band gave us all an agreeable surprise when they paraded through the streets, musically inviting all to follow them to the encore and dance. This surprise and the music was so well appreciated that the manager of the hall was obliged to hire a force of men and boys to procure more tables and chairs before the bell could be tapped for the opening game. About 11 o'clock the last game was announced and then followed the awarding of the many beautiful and useful prizes which were donated by the loyal Knights of Columbus of Ste. Genevieve. After the dance the curtain, for the first day, was lowered.

Bright and early the next morning all the members of the different booths gathered in the Parish Hall to put the finishing touches to their tasty and beautiful stands, and then to await the children in the afternoon. At 1:30 the children were ushered into the Hall, and without a signal from their leader they made a general rush on the fish pond, grab bag and ten cent stand. Their attack was so successful that nothing but the enemies, stands and their lives remained unharmed. In the evening a good and jolly crowd was on hand going from booth to booth and enjoying themselves to their hearts' content. At 9:30 the enemy retreated in good order to prepare themselves for the next day's battle.

Thanksgiving Day arrived and with it came the turkey dinner and supper. Everybody was prepared to make a good stand against Mr. Turkey, and judging from the remnants that remained, Turkey was gloriously conquered. Thanks to the good ladies of our parish who, as usual, prepared a dinner which was fit for the King and Queen's table.

During the day and early part of the evening a good crowd could be found in the Hall anxiously awaiting the moment for the awarding of prizes. When the moment arrived the number of people in the Hall grew so large that sitting room was at a premium. The Hall was crowded to its utmost capacity and although the throng of people was so large, yet we must say it was a well behaved and orderly crowd. One by one the lucky winners were announced, and when the awarding of prizes was over we all breathed a deep sigh of relief, realizing that we had worked hard and faithfully and that all was over, but with the great satisfaction that our Bazaar and Festival was a grand success.

The following Reverend clergy enhanced the occasion by their presence: Rev. Wm. Kotte, Rev. J. Newman, Rev. E. Heimerscheid, Rev. J. Herkert and Rev. L. Brockelmann. Thanks, a thousand times thanks to one and all who worked and helped to make the Bazaar and Festival such a grand success. It surpassed all our sanguine hopes and expectations.

The lucky winners and their respective prizes were:

Miss Mena Kern, barrel of flour. Miss Genevieve LaRose, parlor clock. Miss Agnes Godfrey, live pig. Mrs. Joseph Lalumondier, woolen blanket.

Mr. A. E. LaFleur, silver set. Miss Adeline Bieser, hand painted plaque. Miss Killian Healy, table cloth and 1 dozen napkins.

You do not wish alum in your food

You desire to avoid it. Dr. Price's Cream Baking Powder contains no alum or lime phosphate. Its use is therefore a safeguard against objectionable mineral salts which are left in the biscuit and cake when made with inferior powders.

Chemists have shown that a large percentage of the chemicals of which alum baking powders are made remains in the food in the form of Glauber's Salt, hydrate of aluminum and other impurities.
